Women In Cardiology And Related Sciences

Inspire, enlighten, excel

Society of Cardiac Anaesthesiology -
Delhi & NCR Branch

INVITATION

Dear Doctor,

Greetings from WINCARS and SCA-Delhi & NCR Branch associations!

WINCARS stands for **“Women In Cardiology And Related Sciences”**. It is an all Women Doctors Association and consists of women cardiologists and other specialties, who deal with women cardiac health. The primary objective is to focus on the Cardiovascular health /diseases and their advances in women. It is a registered body which encourages academic programs and research on women cardiac health. This is the first of its kind event in India and we welcome you to join this association to take it to greater heights.

SCA – Delhi & NCR Branch primarily to enhance the scientific and academic status of anaesthesiologists in our region and provide an opportunity for wider interaction amongst us. Delhi & NCR has had an exponential growth in cardiac procedures and centers over the last decade and there seems no slowdown! In this regard the creation of this society and starting an educational venture, like this is a welcome step. We hope all anaesthesiologists in Delhi & NCR will come forward and participate in its activities to their maximal best.

We are happy to announce that the **“10th Annual conference of WCC (Women Cardiac Care) 2018”** and **7th Annual Conference of SCA-Delhi & NCR Branch**, being organized by WINCARS and hosted by SCA-Delhi & NCR Branch on March 8, 2018. The venue of the conference is Ramalingaswamy Board Room, AIIMS, Ansari Nagar, New Delhi.

This is an Annual Conference held on the eve of International Women's Day to discuss women-related cardiac health issues and updates. This year we aim and hope to bring all women cardiologists across the country on the same platform. It is a great honor to invite you to join us on the auspicious day.

Please register :
